

ROADMAP KEY

1. Join Tech Clubs: Visit fiu.campuslabs.com/engage to find:

- INIT FIU
- Code Crunch
- SWE (Society of Women Engineers)
- WiCS (Women in Computer Science)

2. Other Hackathons: See mlh.io/seasons/2026/events

3. ICPC: International Collegiate Programming Contest

- Visit academy.cs.fiu.edu/icpc-competitions

4. REU: Research Experience as Undergraduate

- cec.fiu.edu/research-experience-for-undergraduates-reu

5. Sis'tas: Smart Interview Skills To Achieve Success, offered certain semesters, see go.fiu.edu/KFSCIS-SISTAS

6. CodePath: Organization offering tech courses and career programs for computing students, visit www.codepath.org

7. Career Fair: To see the upcoming scheduled career fairs see Handshake: fiu.joinhandshake.com/stu/events

8. Sprintership[™] Workshops: If matched with an employer. Learn more at go.fiu.edu/FIU-Sprintership

9. Peer-led Workshops: Web Development, Data Science & AI and Cloud & ERP workshops held by KFSCIS

COURSE INFORMATION

10. CIS3590: Internship Ready Software Development:

- Zero-Credit Course
- Visit www.coursicle.com/fiu/courses/CIS/3590

11. CIS4257: Empowering Emerging Tech Talent

- Visit www.coursicle.com/fiu/courses/CIS/4257

12. CIS1940: Internship for Teaching K-12 Computational Thinking

- Visit www.coursicle.com/fiu/courses/CIS/1940
